Re: Cindy Elking

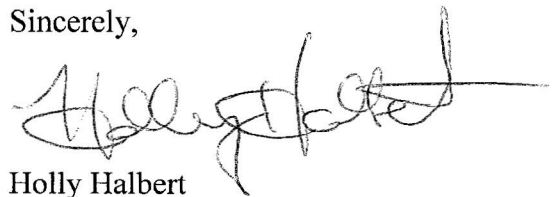

To Whom It May Concern:

It is with great pleasure that I recommend Cindy Elking.

Cindy has always been delightful and very accommodating with our catering needs. It is very reassuring to know I can always depend on Cindy for meetings and any other type of arrangement I may need. We always get compliments from our physicians and staff for the quality of the food and service.

Cindy and Quintessential Catering would be an asset to your company, and I am happy to give her my wholehearted endorsement.

Sincerely,
